New Renault DUSTER

The true SUV

DESIGNED TO MAKE A STATEMENT

The new Renault DUSTER goes more audacious. Its new tri-winged full chrome grille guarded by the dominating hood syncs perfectly with the new signature projector headlamps. The LED DRLs and R16 Everest Diamond Cut alloy wheels enhance the commanding look of the iconic DUSTER the kayak roofrails, matte black embellisher and Waterfall LED tail lamps further accentuate its dynamic stance.

INTERIORS WITH AN EDGE

Step in to an unmatched driving experience with the Renault DUSTER. The Midnight Black interiors are as inviting as they are comfortable. The premium blue glazed seats lend a classy touch while the new style Renault steering wheel with soft touch buttons ensures a smart, sophisticated feel. The dual tone centre fascia with soft touch dashboard and door trims further accentuate the stylish interiors. Additionally, the aesthetics are enhanced by the ice blue graphic instrument cluster with multi-information display, which always keeps you updated on critical driving parameters.

ADVANCED SAFETY AND TECHNOLOGY

Find your frontier with the new Renault DUSTER's ground-breaking prowess. It's monocoque design with true SUV features like Hill-Start Assist and ESP along with comfort features like Cruise Control help make any adventure effortless. It also comes with dual airbags, speed alert, seatbelt reminder and ABS to keep you safe.

The new DUSTER also delivers an engaging experience with its fully integrated 17.64 cm Touchscreen MediaNAV Evolution that comes with Apple CarPlay, Android Auto TM, and EcoGuide - a system that monitors driving patterns and provides guidelines to improve efficiency. Now wait no more, the reinvented classic is here to take you places.

WORLD-RENOWNED ENGINES, EXTRAORDINARY PERFORMANCE

NEW 1.5 LITRE PETROL ENGINE:
The new Renault DUSTER features a responsive and fuel efficient 1.5 litre petrol engine. With an exceptional power of 106 PS and maximum torque of 142 Nm, the new DUSTER is tuned to deliver a smooth drive, both within and beyond city limits. With the X-tronic CVT gearshift, now drive the best of both worlds - enhanced performance with superior mileage. For those who prefer to take matters into their own hands, the new Renault DUSTER petrol

DRIVE EFFORTLESSLY

EVERY DAY

The power-led performance of the new Renault DUSTER is enhanced by the new X-tronic CVT gearshift. It is engineered to avoid shift-shock, while delivering seamless acceleration. This new technology offers improved responsiveness, giving better stability, fuel efficiency and control to the car even in heavy traffic. The four gear modes - Parking (P), Reverse (R), Neutral (N) and Drive (D) - make driving effortless. Furthermore, the 6-speed Manual mode option (M) also allows you to have a hands-on driving experience whenever you want to. Now cruising through the city is smoother and more enjoyable
